Pursuant to Commission Regulation 807 KAR 5:056, the Commission on June 15, 1998 established this case to review and evaluate the operation of the fuel adjustment clause ("FAC") of The Union Light, Heat and Power Company ("ULH&P") for the six months ended April 30, 1998.

As part of this review, the Commission ordered ULH&P to submit certain information concerning its compliance with Commission Regulation 807 KAR 5:056. ULH&P has complied with this Order. A public hearing was held on August 19, 1998. ULH&P subsequently filed with the Commission information which was requested during the hearing.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that ULH&P has properly calculated and applied its FAC charge.

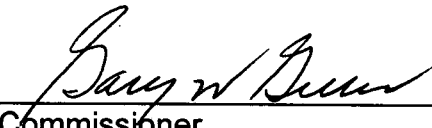

IT IS THEREFORE ORDERED that the charges and credits applied by ULH&P through the FAC for the period November 1, 1997 through April 30, 1998 are approved.

Done at Frankfort, Kentucky, this 26th day of October, 1998.
